T O Y O U . . .

OUR PARENTS, WHO HAVE
GIVEN US LOVE AND SECURITY
IN OUR HOMES.

OUR ADVISERS, WHO HAVE
GUIDED US WITH A HELPING
HAND IN SCHOOL.

WE SINCERELY DEDICATE THIS
BOOK.

An illustration of two birds, possibly doves, wearing long, flowing robes. They are holding a large, light-colored banner that stretches across the top of the page. The bird on the left is facing right, and the bird on the right is facing left. Above each bird's head are musical notes, suggesting they are singing. The banner is held taut between them, and its ends hang down on either side of the text.

DEAR ALMA MATER

Dear Alma Mater now we part
Undaunted we'll march on,
Our praises we bestow on thee
We sing them from the heart
We're ever true to the white and blue
Our trust we place in you.

The symbols that we've learned to love,
Truth, honor, and the light
Will be our guide in future years,
And lead us through the night
Then on we go with saddened hearts
But memories ever bright

And now the wide world beckons us,
For future tasks we face
But always through the passing years
Fond memories are our souvenirs.
The last, sad hour is drawing near,
Farewell our Alma Mater dear

ALMA MATER

Over many a city old,
Famed in song and story
Temple gray and castle hold
Catch the sunset glory.
So our Alma Mater proud
Looks o'er vale and meadow,
High between the sailing cloud
And its drifting shadow.

For her colors, first the blue
Of the April valley;
Then December's wintry hue
When the storm winds rally
Newark High, thy fame we raise,
Many voices blending;
Through the years we pledge Thee praise,
Loyal to life's ending.

FEATURES

WE MADE

Maps, pink elevators, these were the things we were up against when we entered B. H. S. as small, green, frightened freshmen.

As educated freshmen, we saw our football team take "All City".

In 2B we met our other half. The kids from the annex finally arrived at Barringer.

Biology and Geometry introduced us to words we'll never forget—osmosis, hypotenuse, etc.

Ah!!! English "4"—Do you remember? "Et tu—Et tu Brute."

Stomach ache? Or Appendicitis? That was the question—The answer was a 2 ounce appendix for Palma Carbone. Operation successful.

How can we help but know that Al Porcello lost his Physics "gyp" slip. Remember what his mark was that cycle?

The only day everyone showed up at school was the day the doors were locked. The snow was too deep for the janitor.

In 3A we lost two home room teachers, Miss McKenzie and Mr. Kahn, but we got a lot of consolation when we were given Miss Tunstead and Mr. Kritzer in their place.

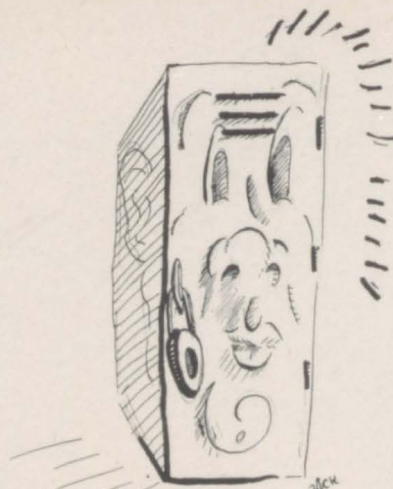

Preparing for a dance brought about more problems then we had expected. The fellows didn't know how to dance so Miss Scalera and the 4B girls helped teach them. The boys learned, and it was a lot of fun.

Neither rain, snow, nor ice kept the eager throngs from coming to see who was chosen "Queen of Hearts" at our 4B dance.

Because we were financially embarrassed, we were allowed to give a second dance in the 4B term.

One of the faculty members once said she didn't know how

HISTORY

one class could have so much originality. We even broke the record and made history when we failed to have any member of the class elected to the National Honor in our 4B term.

The day finally arrived. We were no longer small, green, frightened, freshmen; we were now Big Time Seniors, and we owned the front seats in the auditorium.

Ah!!! Lockers, those beautiful hunks of tin. We didn't have to take them in 4A—they were given to us.

Anyone who intended to learn chemistry did learn it, but about 99% didn't. "I can't understand how so many people got the same answers wrong." (Mr. Dumm)

It isn't so bad when one of our classmates has to be taken to the hospital for appendicitis, but when two in the same weekend go, that's too much. That is what happened in September of our 4A term. Norma Freda was rushed Friday night and

Lillian Polizzi must have become jealous because she was rushed away Sunday morning. I wonder how they got all their homework done so quickly? Should we ask Rita Tauriello and Grace Milano?

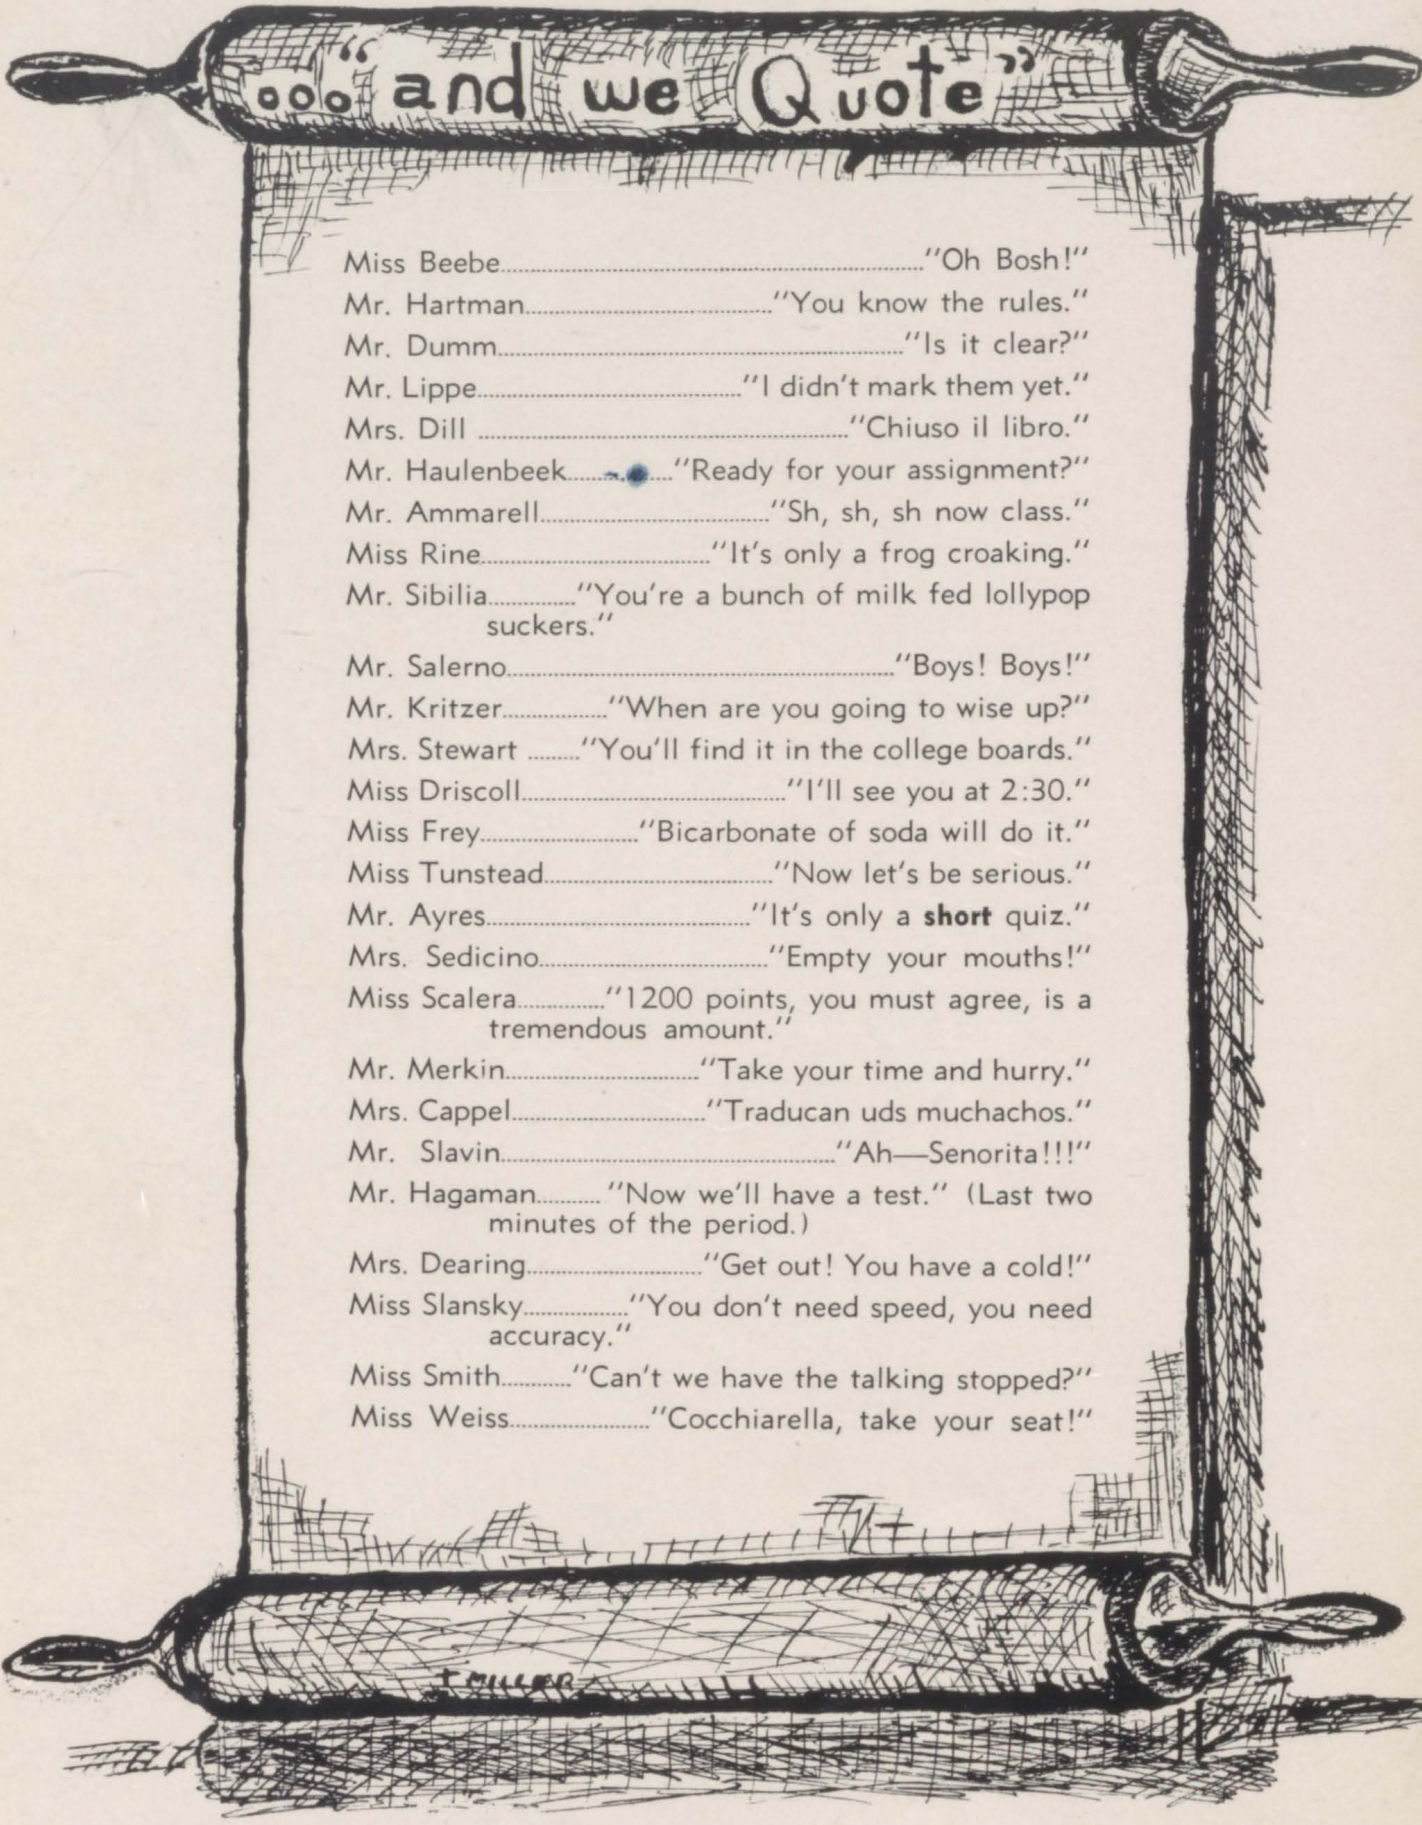

Some of the kids were probably thinking of their childhood days when they brought lollypops to chemistry class, I wonder who started this?

I don't think Frank Peloso will ever want to sing again. Mr. Buhrman made him give a solo for Miss Disbrow and the office staff.

The closest our class came to having an outing was when we had our hayride. Half the gang lost their way to the stables, but finally managed to get started when the rest of the crowd was returning. In spite of the mix up, we had a wonderful time.

Although many of us have looked forward to graduation day, we all regret leaving now that it's time to.

and we Quote

Miss Beebe....."Oh Bosh!"

Mr. Hartman....."You know the rules."

Mr. Dumm....."Is it clear?"

Mr. Lippe....."I didn't mark them yet."

Mrs. Dill....."Chiuso il libro."

Mr. Haulenbeek....."Ready for your assignment?"

Mr. Ammarell....."Sh, sh, sh now class."

Miss Rine....."It's only a frog croaking."

Mr. Sibilis....."You're a bunch of milk fed lollypop suckers."

Mr. Salerno....."Boys! Boys!"

Mr. Kritzer....."When are you going to wise up?"

Mrs. Stewart....."You'll find it in the college boards."

Miss Driscoll....."I'll see you at 2:30."

Miss Frey....."Bicarbonate of soda will do it."

Miss Tunstead....."Now let's be serious."

Mr. Ayres....."It's only a **short** quiz."

Mrs. Sedicino....."Empty your mouths!"

Miss Scalera....."1200 points, you must agree, is a tremendous amount."

Mr. Merkin....."Take your time and hurry."

Mrs. Cappel....."Traducan uds muchachos."

Mr. Slavin....."Ah—Senorita!!!"

Mr. Hagaman....."Now we'll have a test." (Last two minutes of the period.)

Mrs. Dearing....."Get out! You have a cold!"

Miss Slansky....."You don't need speed, you need accuracy."

Miss Smith....."Can't we have the talking stopped?"

Miss Weiss....."Cocchiarella, take your seat!"

OUR THREE "THREE-LETTERMEN"

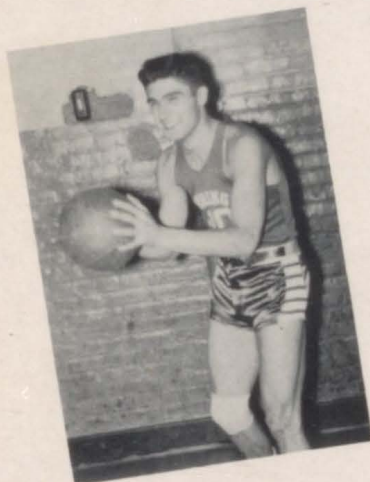

IN the gym, on the gridiron, or on the diamond, Frank Peloso has shone throughout his years in Barringer. Frank made all-state in basketball for his fine display of ball handling and his aggressiveness under the boards.

Frank was also a good, hard, power runner on the football team. When playing baseball, he was the man who drove home those all-important runs.

ALPHONSE PORCELLO was one three-letter man who did not see action in any field of sport at any time for Barringer. Instead, Al became one of the most famous sports managers this school has ever had.

Al managed the basketball team for two years, the baseball team for two years, and the football team for one year, making a total of five letters in three different fields of sport.

VINCENT CAPRIO has played baseball and football during all his four years in Barringer, and has made the all-city baseball team twice. In football he played on the great "Big Blue" team of '45 that won the city title and finished fifth in the state.

Vin also earned two major letters playing on the basketball team.

FOOTBALL

AS the whistle blew commencing the '48 football season, a "green" Barringer team took the field to oppose West Side, the '47 City league champs. As the cheers subsided and the large crowd filed out of School Stadium, a dejected Barringer team trudged into the locker rooms, for the final score read West Side 24 Barringer 6. The following week Barringer was again on the short side losing to Central 33 to 8.

The squad and its coach Mr. Naparano refused to accept defeat and worked untiringly in order to perfect all their offensive plays and defensive maneuvers.

On Columbus Day the "Big Blue" faced a big Weequahic team and trounced them by a 25 to 0 score. After the final victory the rest came easy, South Side was defeated 12 to 0; West Orange 13 to 7; East Side 13 to 0; and Belleville 14 to 0. The men in blue compiled an amazing defensive record in its last five games by having but seven points scored against them.

As this book went to press the team was preparing for their Turkey Day Classic with East Orange.

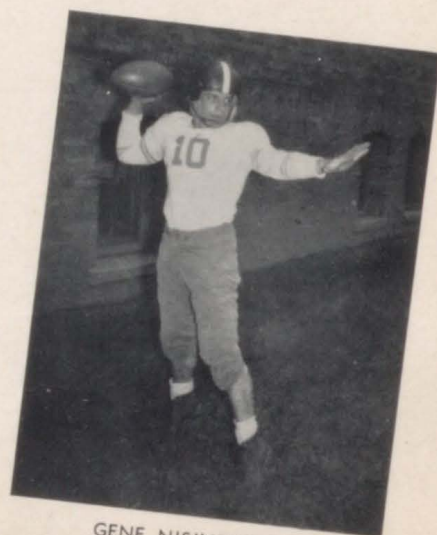

Keep up the good work boys and good luck.

TRACK

EVEN though the boys in blue did not win the city title, they came through with a close second place. Coach Anthony Naparano, led his track team through a fine season, the boys winning nine dual meets and losing but five.

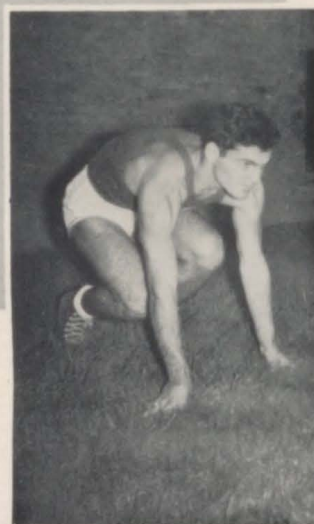

John D'Andrea was the main factor in the team's success. John won the high jump and the high hurdles in most meets, and finished first in hurdles and first in the high jump in the city meet.

Another boy who was completely unheard of on the cinder path until his senior year is Richard Salierno. Dick, after placing in most dual meets, finished a close second in the city meet.

We are very proud of the fine running and jumping of the "Big Blue" of Barringer.

JOHN D'ANDREA

RICHARD SALIERNO

BASEBALL

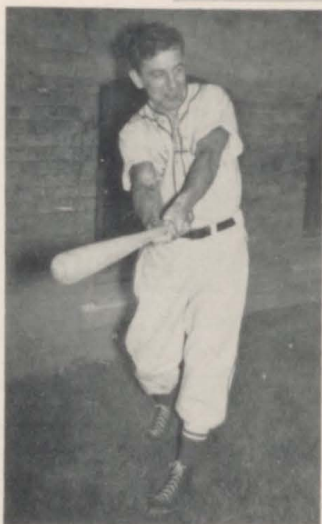

UNDER the tutelage of Joe Nerenberg, the "Big Blue" of Barringer had a mediocre season—a record a little below average, with seven won, and ten lost.

The boys in blue played hard, but met some of the outstanding teams of the state, such as West Side, Central, Bloomfield, Kearny, and Hillside.

In the city, the keen competition kept Barringer from being one of the leading clubs.

"Ron" Velardi, who was the "Blues" first pitcher, had a record of 5 won and 3 lost. The Barringer team was rounded out with the hard-hitting Frank Peloso at first base, the fine fielding Joe Agolia at third base, Al Restaino, who was Velardi's battery mate, and that all-around ball player, Vin Caprio, who earned four major letters by playing on the varsity in his freshman year.

Although the team did not have a perfect season, they displayed some fine acts of sportsmanship that are always true of Barringer ball players.

BASKETBALL

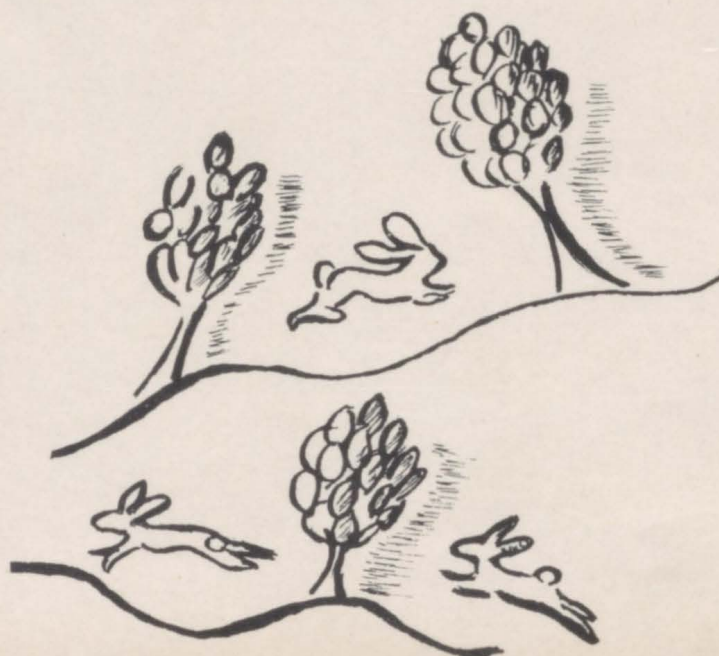

AFTER a slow start in the season of 1947-48, the Big Blue of Barringer started to roll.

Our quintet was beaten by Central, Montclair, and Weequahic, but came back to defeat Belleville, a highly touted club. The boys then proceeded to beat East Side, West Side, South Side, East Orange, and Arts High. The Big Blue finished the season with a 13 and 5 record. As a result of this achievement the boys were given invitations to the Essex County and State Tournaments. In the county get-together, the team went to the quarter-finals; but in the state tourney they were beaten in the opening game.

This year Coach Nerenberg will build his team around Frank Peloso, John D'Andrea, diminutive Joe Agolia and Vin Caprio. Others who figure prominently in Coach Nerenberg's plans are Len Pearson, Bob Giacobbe and Jeff Daniels. Of the seven boys above, Frank Peloso, John D'Andrea, Joe Agolia and Vin Caprio will be graduated at Midterm.

JOHN D'ANDREA

JOSEPH AGOLIA

TWIRLERS

SOMETHING new was added to the football games this season. Six twirlers dressed in smart blue and white uniforms, who led the band and strutted across the field.

Three are graduating with Class of January 1949. They are Palma Carbone, captain; Marietta Bucco and Helen Bowie.

It was fun practicing their new routine, marching in the parade and twirling the batons during the half.

The first game was a new experience of nervousness, excitement and anxiety. The last game will be difficult to forget, for it means their fun had ended.

To the future twirlers of Barringer, here's hoping they will carry on and make each season an improvement.

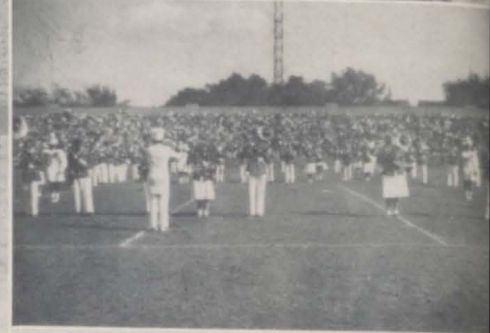

CHEERLEADERS

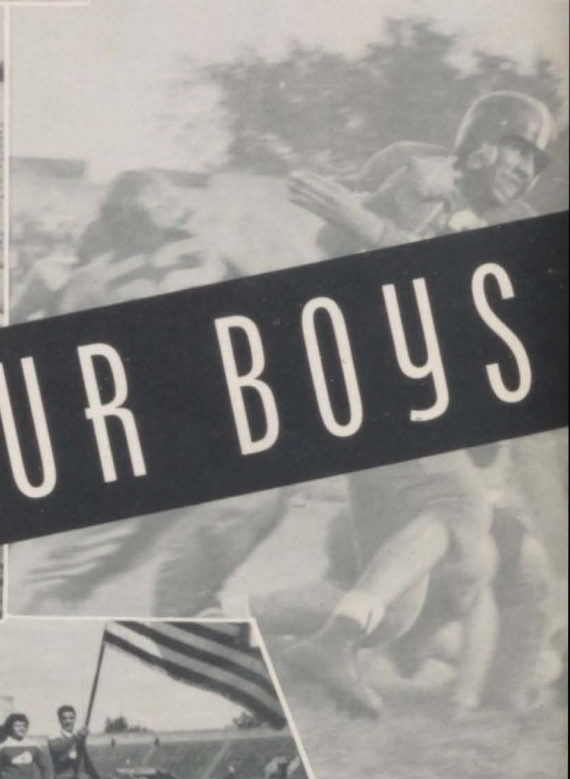

THIS YEAR the Cheerleading squad under the tutelage of Miss Scalera will lose only two members. They are Captain Joe Cocchiarella and Eloise Hulin. Joe, who has been on the cheering squad for two years, was awarded the Captaincy in his senior year for his fine work.

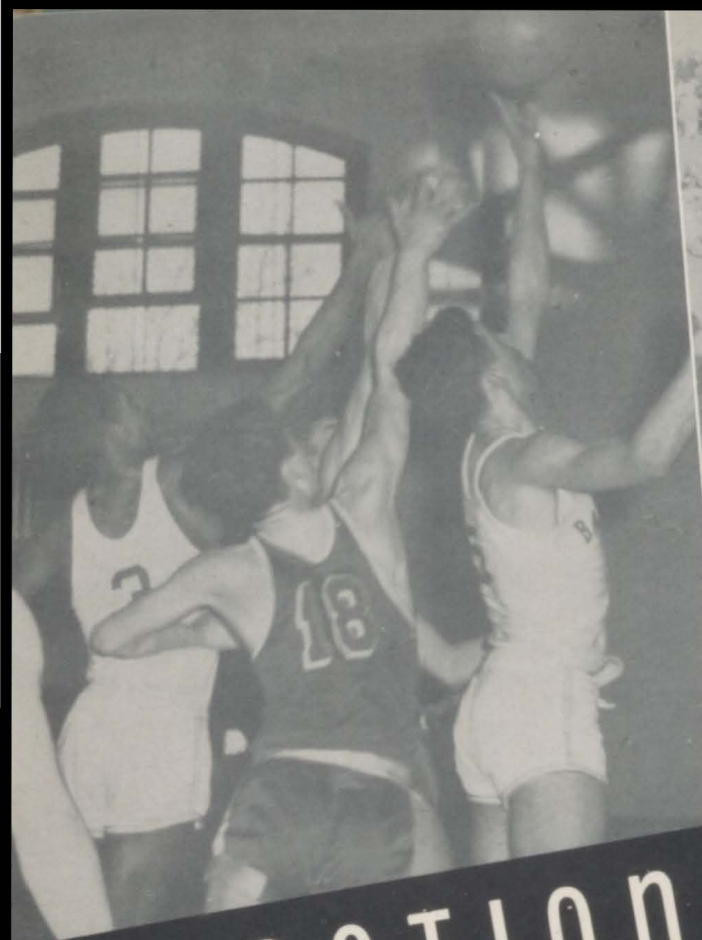

Eloise, a cheerleader for two years, has added that extra sparkle to the squad.

Their loss will be felt greatly, and it will be a job for Miss Scalera to find such capable performers as these to fill their shoes.

... AND SO THE SUN SETS

... on our high school careers. As this era in our lives ends, our emotions are as mingled as the colors of the horizon. We feel proud that we were once a part of Barringer. We feel secure in the knowledge that our Alma Mater has prepared us well.

Our days at Barringer will long be remembered. The teachers who helped us, the friends we made, the experiences we had will always have a place in our hearts. It is with great sadness that we leave.

But as the cloud that was between us and the business and college worlds lifts, we look back on our yesterdays with happiness, and toward our tomorrows with confidence.
